

HEALTHY RELATIONSHIPS WEEK

October 17-21, 2022

The Violence Prevention Program and the Base Borden Family Violence Advisory Team are pleased to present the following presentations as part of Healthy Relationships week:

Modeling Healthy Relationships

**Oct 18 @ 1200-
1330 hrs**

Designed for parents/ caregivers, this presentation will explore the spectrum of relationship health as well as how to model healthy relationships, boundary setting, and giving and respecting consent.

Human Trafficking

**Oct 19 @1200
-1330 hrs**

62% of all HT cases in Canada take place in Ontario. This presentation will explore methods of recruitment, types of trafficking, and how to identify if you or someone you know may be being victimized.

Cyber Safety & Technology

**Oct 20 @1200
-1330 hrs**

Cyber safety and online harassment are becoming increasingly prevalent issues. This presentation will explore online bullying and harassment, how to deal with it and how to keep yourself safe in a digital world.

Location: CFHTC Auditorium
